

ISSUE 13 WINTER 2017

A HARD TIMES!

Winter is here and don't we know it!

The animals are all in their winter barns and stables, the mud and cold is here and hay is disappearing as fast as we can purchase it.

The animals are warm and snug in their straw beds out of the elements. The horses are all queuing at the gates at feeding time ready for dinner and a warm stable for the night.

The sheep are constantly alerting us to their needs at feeding time and will bowl you over to get the first mouth full of sheep nuts!

The cats are all snuggled up by the heaters and asking for extra food.

We all look forward to the spring!!!

Can you offer Mary a home?

WE SAY GOODBYE TO DEAR MOLLY

It is with great sadness that we announce the death of dear old Molly.

Molly had a great life with her best friends Wendy the sheep and her adopted calf Douglas.

She will be dearly missed.

People would travel far and wide just to give Molly a cuddle, she was quite the celebrity here at BFAS.

She taught people that cows are so much more and have wonderful personalities.

She reached 24 years of age which is very rare for her fellow creatures that are not so lucky to find sanctuary.

We will all miss her dearly.

She inspired so many people.

MOLLY GOES FOR ANOTHER OPERATION.

Molly the sweet little cocker spaniel that was extremely emaciated and full of cancer over a year ago has to undergo another operation.

Unfortunately more lumps have formed on her mammary glands and Molly went in on Thursday 4th January to have them removed.

She is now on the road to recovery. Fingers crossed it will not return.

Land appeal update.

To secure the land we have had to take out a loan for £16,000. £4,000 is now left to pay.

Thanks to everyone that has made this possible. Because of this we have managed to save 5 horses from dire situations.

If you would like to donate to help us clear the remaining £4000 please send cheque made payable to Brook Farm animal sanctuary or donate through our website.

As always thank you so much for your support, we really could not continue without such support.
